

Van PALMA

SPRING-SUMMER 22

A person is seen from behind, wearing a wide-brimmed straw hat and a light blue, flowing dress. They are standing on a dark, rocky shore, looking out at the ocean. The sun is low on the horizon, creating a bright, hazy glow in the sky and reflecting off the water. The overall mood is serene and contemplative.

SPRING - SUMMER 22

Ethical MADE

CREATIONS ARTISANALES FRANCAISES

Pour nos chapeaux de paille, Van Palma travaille main dans la main avec une **association équatorienne 100% féminine**. *Notre objectif ?* Confectionner de **véritables panamas**, conçus avec amour et savoir-faire.

Nos chapeaux de feutre, quant à eux, sont confectionnés dans l'une des dernières **chapelleries artisanales françaises**. Cette dernière, dotée d'un savoir-faire artisanal unique et d'excellence, a été récompensée du label « *Entreprise du Patrimoine vivant* ».

L'équipe Van Palma prend ensuite le relais à Marseille, dans notre atelier et customise les créations avec des broderies minimalistes et des bijoux plaqués or.

For our straw hats, Van Palma works with a **local women association in Ecuador**. *Our goal ?* Make real panamas, designed with love and «savoir-faire».

All our felt hats are handmade in one of the **last handcrafted factories in France**. That one, thanks to its unique craftsmanship has been honoured with the « *Entreprise du Patrimoine Vivant* » label.

Mindful of having ethical and detailed products, all our embroideries are made in our studio in Marseille, south of France.
