

il cappottino

FW 22-23 LOOKBOOK

il cappottino

was born in 2007 from our passion for this garment that enhances the image of the wearer. Il cappottino are all made in Italy by laboratories of long tradition and recognized quality. We offer different models, new or continuous, developed in the many fabrics of the collection. The search for fabrics, sophisticated and very colorful, is the feature that makes our products unique.
