

Nail Polish Collection

Licia : Florio

Wearing nail polish is a ritual,
that will ground you,
that will give that precious time just for you.

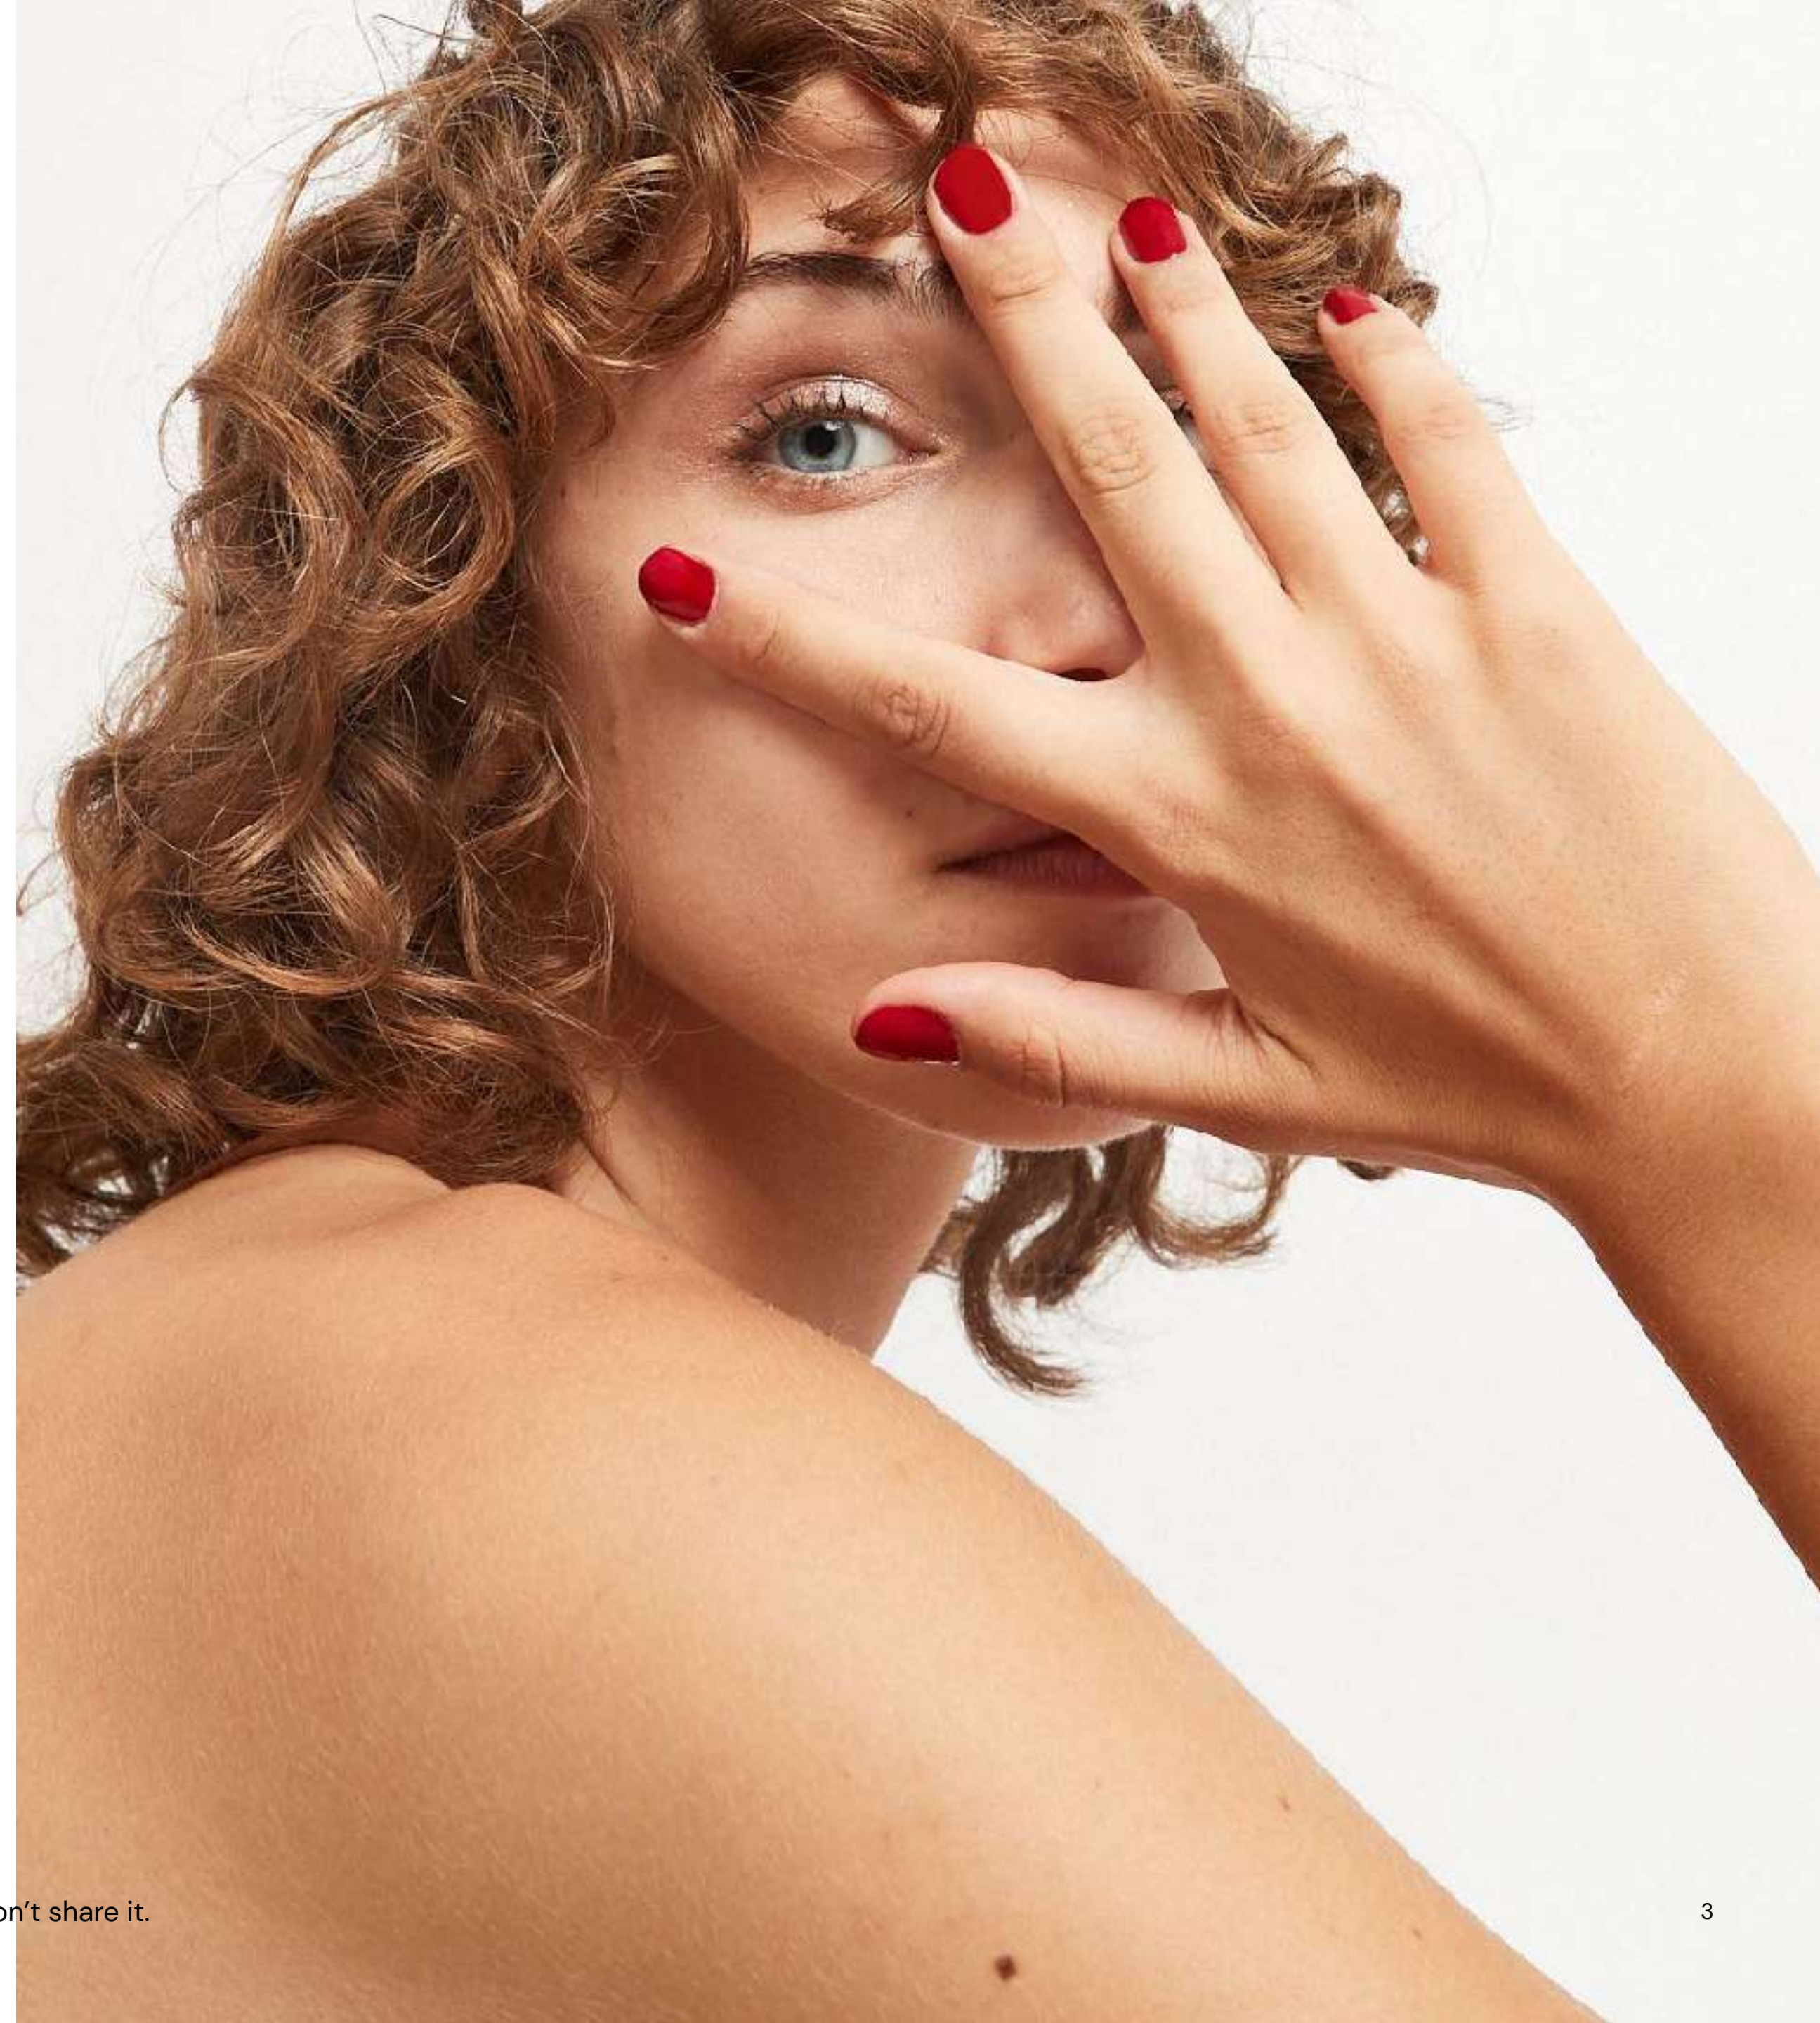

About

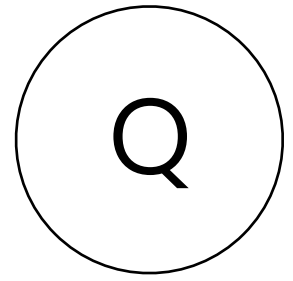

It's simple. We are responsible for what we wear on an everyday basis and what we decide to adorn our bodies with.

We are focused on the ideals of wellness, we believe that wearing nail polish is a ritual, that will ground you, that will give that precious time, just for you.

It's a simple gesture and it's something for yourself.

We embrace and emphasize the natural beauty that is in all of us, our colors are always soft and warm and will perfectly match every skin tone.

Ritual

Forget all you knew about nail polish removers.

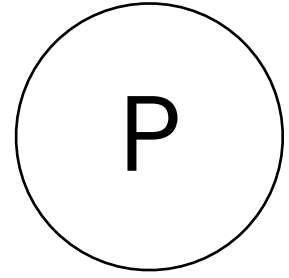

Ritual is a revolutionary nail polish remover, made with an innovative formula made with basil and sage essential oils and enriched with Vitamin E, that will soften your cuticles and strengthen your nails. Gentle, effective, and acetone-free, meaning that it nourishes the nail beds instead of drying them out. And, most of all, Ritual is free of toxic odors and packed in a glass bottle.

How to use it?

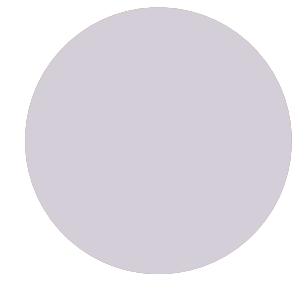

Soak a cotton pad with Ritual remover, and gently rub on the nail polish.

Wash your hands if you want to wear a new nail polish color.
