AER Scents Point-of-Sale

We offer several Point-of-Sale displays and tools. Our AER POS System is a handmade clay tile with a glass bell jar, an acrylic block with a list of scent notes and a Pyrex beaker for scent strips for each of our scents. We also offer customised printed scent strips and black and white postcard set from each of the six perfumes.

We also have a larger handmade display of big glass collection domes by Berlin artist Russell Harris that dramatises the main ingredient for each of our perfumes; if you are interested, please ask for details.
